

Curriculum vitae et studiorum

Name Manuela Malatesta
Date of birth 28/03/1965
Nationality Italian
Office address Department of Neurosciences, Biomedicine and Movement Sciences, Anatomy and Histology Section, University of Verona, strada Le Grazie 8, 37134 Verona (Italy)
Telephone +39 045 8027569
E-mail manuela.malatesta@univr.it

Education and Training
1989: University degree in Biological Sciences cum laude, University of Urbino, Italy
1991: Fellowship of the Italian Ministry of University and Scientific and Technological Research for a 1 year stage at the Centre of Electron Microscopy of the University of Lausanne, Switzerland
1992: Fellowship of the Fondation pour des Bourses d'Etudes Italo-Suisses at the Centre of Electron Microscopy of the University of Lausanne, Switzerland

Work Experience
2014 to present: Associate professor at the University of Verona
2006-2014: Assistant Professor at the School of Medicine and Surgery, University of Verona, Italy
1996-2006: Staff Researcher at the Faculty of Mathematical, Physical and Natural Sciences, University of Urbino, Italy
1994-1995: Assistant at the Centre of Electron Microscopy, University of Lausanne, Switzerland

Main activities and responsibilities
Research activity
Author of 144 scientific papers in peer-reviewed journals, H index: 26 (Scopus, April 2019).
Reviewer for several indexed scientific journals.
2008 to present: Member of the Board of the Società Italiana di Scienze Microscopiche (www.sism.it).
2010-2013: Member of the Board and Secretary of the Società Italiana di Istochimica (www.istochimica.it).
2017 to present: Member of the Scientific Committee of the Nuova Federazione Italiana di Ossigeno-Ozono (www.nuovafio.it).

Teaching activity
2006 to present: Courses in Human anatomy at the School of Medicine and Surgery, University of Verona, Italy
2010-2013: Courses in Neuroanatomy at the Faculty of Movement Sciences, University of Verona, Italy
2004-2006: Courses in Cell Biology at the Faculty of Mathematics, Physics and Natural Sciences, University of Urbino, Italy
2001-2005: Courses in Cellular techniques at the Faculty of Mathematics, Physics and Natural Sciences, University of Urbino, Italy
1999-2005: Courses in Cytochemistry and Histochemistry at the Faculty of Mathematics, Physics and Natural Sciences, University of Urbino, Italy
1999: Courses in Cytopathology at the Faculty of Mathematics, Physics and Natural Sciences, University of Urbino, Italy

Editorial activity
Editor of the European Journal of Histochemistry (ISSN 1121-760X)
Editor-in-chief of Microscopie (www.pagepressjournals.org/index.php/microscopie)
